2.NO Program	Company Name		Submitted by	Date											
S.No Program  1 DT-Java	Society Gen	1) Explain Project flow	Placement Team	04/08/2016											
2 DT-Java	Society Gen	What are the advantages of your website over the other websites?	Placement Team	04/08/2016											
3 DT-Java	Society Gen	10) Is Abstraction similar to Interface	Placement Team	04/08/2016											
4 DT-Java	Society Gen	10) What is the size of user id (in your project)?	Placement Team	04/08/2016											
5 DT-Java	Society Gen	11) What will happen if you exceed the limited characters for login?	Placement Team	04/08/2016											
6 DT-Java		11) Write a html program to print the mobile name in navbar	Placement Team	04/08/2016											
7 DT-Java		12) Explain about execution and compilation of java	Placement Team	04/08/2016											
8 DT-Java		12) How to limit the number of characters in login/ signup?	Placement Team	04/08/2016											
9 DT-Java 10 DT-Java		13) Explain public static void main line	Placement Team	04/08/2016											
10 DT-Java		14) Explain About hacking	Placement Team	04/08/2016											
11 DT-Java	Society Gen	15) Explain static keyword	Placement Team	04/08/2016											
12 DT-Java	Society Gen	16) 13. What are the data types in java	Placement Team	04/08/2016											
13 DT-Java		17) About hibernate?	Placement Team	04/08/2016											
14 DT-Java		18) Basic java programs like print your name by using class?	Placement Team	04/08/2016											
15 DT-Java		19) What is the difference between the DevOps and Agile methodology?	Placement Team	04/08/2016											
16 DT-Java	Society Gen	Can we change the database after the complete project is done?	Placement Team	04/08/2016											
17 DT-Java		How will you compare the prices of your products from other websites?	Placement Team	04/08/2016											
18 DT-Java	Society Gen	20) What is function of Handler Mapping?	Placement Team	04/08/2016											
19 DT-Java	Society Gen	21) What is Dispatcher Servlet?	Placement Team	04/08/2016											
20 DT-Java	Society Gen	22) What is Session?	Placement Team	04/08/2016											
21 DT-Java	Society Gen	23) What are Security rights?	Placement Team	04/08/2016											
22 DT-Java	Society Gen	24) What is security?	Placement Team	04/08/2016											
23 DT-Java	Society Gen	25) Simple Algorithms on general topics like prime numbers, even or odd?	Placement Team	04/08/2016											
24 DT-Java	Society Gen	26) What is the code of cart table for new user? How you can make cart table empty?	Placement Team	04/08/2016											
25 DT-Java		27) What is difference between Admin and User?	Placement Team	04/08/2016											
26 DT-Java	Society Gen	28) What are the different types of data types?	Placement Team	04/08/2016											
27 DT-Java		29) Validation for the sign up page for integer type text boxes & email id?	Placement Team	04/08/2016											
28 DT-Java	Society Gen	3) How much do you rate yourself in bootstrap, css, java script, java.	Placement Team	04/08/2016											
29 DT-Java		3) How will you limit the number of attempts to login for the user and block after exceeding the limit?	Placement Team	04/08/2016									1		
30 DT-Java		30) What is the use of Angular JS and how to implement that?	Placement Team	04/08/2016											
30 DT-Java 31 DT-Java		31) How the user get a mail conformation after doing proceed in cart?	Placement Team	04/08/2016									1		
32 DT-Java	Society Gen	32) How to print HELLO using text box in JSP page	Placement Team	04/08/2016									1		
33 DT-Java	Society Gen	33) Write query to select table , drop table	Placement Team	04/08/2016									1		
34 DT-Java	Society Gen	34) Write query to select particular row data to display	Placement Team	04/08/2016									1		
35 DT-Java		35) What is the use of Array list	Placement Team	04/08/2016									1		
20 07 :		36) Explain CSS	Placement Team	04/08/2016	<del>                                     </del>								1		-
36 DT-Java					<del>                                     </del>					 		-	+		
37 DT-Java		37) How do you make a div tag hidden	Placement Team	04/08/2016					<del></del>			$\vdash$	+		
38 DT-Java		38) What is Bootstrap how is it designed	Placement Team	04/08/2016					$\vdash$			$\vdash$			
39 DT-Java		39) What is the use of	Placement Team	04/08/2016			 								
40 DT-Java 41 DT-Java	Society Gen	4) How is the registration validation done? Eg. @ for e-mail account	Placement Team	04/08/2016											
41 DT-Java		4) Write your table structure and explain them.	Placement Team	04/08/2016											
42 DT-Java		40) Java script	Placement Team	04/08/2016											
43 DT-Java		41) How is your email being validated	Placement Team	04/08/2016											
43 D1-Java	acciety dell	42) What are the different types of data structures													
44 DT-Java			Placement Team	04/08/2016									+		
45 DT-Java		43) Polymorphism, Overloading, Overriding	Placement Team	04/08/2016											
46 DT-Java	Society Gen	44) why did u use spring mvc	Placement Team	04/08/2016											
47 DT-Java	Society Gen	45) why hibernate	Placement Team	04/08/2016											
48 DT-Java		46) version control	Placement Team	04/08/2016											
49 DT-Java		47) advantages of git	Placement Team	04/08/2016											
49 DT-Java		48) normalisation of db											_		
50 DT-Java			Placement Team	04/08/2016							-				
51 DT-Java		49) Why we use normalisation	Placement Team	04/08/2016											
52 DT-Java		5) Explain the flow of cart, with your coding?	Placement Team	04/08/2016											
		5) How is login validation done? How do you compare the strings entered in login and database (explain in													
53 DT-Java	Society Gen	layman's concepts)	Placement Team	04/08/2016											
54 DT-Java	Society Gen	50) explain anamolies													
			Placement Team	04/08/2016											
55 DT-Java	Society Gen	51) why h2	Placement Team Placement Team												
55 DT-Java		51) why h2	Placement Team	04/08/2016
